**High School Diploma with Veterinary Assistant Career Pathway**

Our Veterinary Assistant Career Pathway program allows you to work toward a diploma as a veterinary assistant, and gives you foundational knowledge, skills, and experience needed to work in the veterinary industry. Three of the five concentration electives in the High School Diploma with Veterinary Assistant Career Pathway program are transferable to the NAVTA-approved [Penn Foster Veterinary Assistant Career Diploma](#) program. **21.5 credits**

**Veterinary Assistant**

Veterinary Assistant training program will help you gain the knowledge, skills, and hands-on experience that can help you take steps toward a certified Veterinary Assistant job. Aligned with NAVTA standards, your Veterinary Assistant program will cover caring for animals after surgery, helping provide emergency first aid and medication to sick or injured animals, maintaining and sterilizing surgical instruments and equipment, obtaining animal health histories, and more. **This can be completed with customized timing in under 7 months.**

**Veterinary Technician Associate Degree**

The Veterinary Technician Associate Degree program is designed to prepare you to work as a veterinary technician in small or large animal hospitals or clinics and to prepare you to take the Veterinary Technician National Examination. **78 credits; estimated completion time 3-4 years**

**Veterinary Practice Management**

The Veterinary Practice Management certificate program is designed to help you develop the business and management skills you'll need to run the daily operations of a veterinary practice and to satisfy the college semester hours required for certification. **19 credits**

Please initial the box if you understand that once you complete your Veterinary Assistant program you must complete a volunteer experience equivalent to 1 year of work (2000 hours). You will work with Sovereign Nations Veterinary to ensure that commitment is fulfilled.

Please pick **three questions** and provide a written response for each (500-800 words max):

What do you feel is the role of veterinary medicine in your community, in the United States and in the world?

Where do you see yourself professionally 5 years following graduation from this program?

Describe a time in your life when you experienced failure and describe how you responded?

Describe a time in your life when you experienced conflict and describe how you responded?

Describe a time in your life when you acted like a leader?

**To start the application review process, email this completed form along with your written responses to three of the above questions to [info@sovereign-nations.org](mailto:info@sovereign-nations.org). Our administrator will be in contact with you about the next step.**
